PREAMBLE

Pursuant to Connecticut General Statutes Section 5-270 et. seq., this Agreement is entered into by and between the Board of Trustees of the Community-Technical Colleges and the Federation of Technical College Teachers, Local #1942, American Federation of Teachers, AFL-CIO.*

ARTICLE I. **RECOGNITION**

The Board of Trustees of Community-Technical Colleges (hereinafter referred to as the Board) hereby recognizes the Federation of Technical College Teachers, Local #1942, American Federation of Teachers, AFL-CIO (hereinafter referred to as the Federation) as the sole and exclusive bargaining agent for the purposes of collective bargaining with respect to wages, hours, and other conditions of employment, pursuant to Connecticut General Statutes Sections 5-270 et. seq., (as certified by the Connecticut State Board of Labor Relations in Case No. SE-3258, Decision No. 1373 dated March 10, 1976) for all Faculty, including Librarians, Counselors, Department Chairpersons and Coordinators, excluding Presidents, Vice Presidents, Deans, Associate Deans, Registrars, Directors of Admission, Division Directors, System Office Staff, and all other statutory exclusions.

The Federation of Technical College Teachers hereby agrees that all unit parameter issues will be decided through the petition procedures of the State Labor Board or by mutual agreement.

ARTICLE II. **DEFINITIONS**

BOARD

The term “**Board**” shall refer to the Board of Trustees of Community-Technical Colleges. Nothing contained herein shall be deemed or interpreted as requiring the delegation of an act which the Board alone may perform under the law of the State of Connecticut. Nothing contained herein shall be deemed or interpreted to provide that an act which the Board may delegate has been or must be delegated by the Board and such delegation may be accomplished solely through a resolution of the Board. To the extent that this agreement reflects current delegation, it shall not be deemed to limit the Board’s authority as described above.

* Reference in this Agreement to “the Community Colleges” or “the Community College System” shall be the equivalent of a reference to the Board of Trustees of Community-Technical Colleges.

The term “**Designee**” shall refer to an individual or individuals designated by the Board through a resolution of the Board which specifically grants authority to act for the Board in connection with a delegable power, authority or right reserved to the Board by this Agreement. Designees of the Board shall act with the full authority of the Board.

The term “**Employer**” is interchangeable with the terms “**Administration**” and “**Management**” and shall refer to the Board, its Designees and those employees of the Board or the State who act for the Board upon general grants of supervisory, administrative and managerial authority.

FEDERATION

The term “**Federation**” shall refer to the Federation of Technical College Teachers, Local #1942, American Federation of Teachers, AFL-CIO, its designees, and representatives.

FACULTY

The term “**Faculty**” and/or “**Faculty Member**” includes Librarians and Counselors.

FULL-TIME TEACHING FACULTY MEMBER

A. For a teaching Faculty Member on regular appointment: an individual who is obligated by the terms of his/her appointment to teach 24 contact/credit hours and perform teaching-related and additional responsibilities each academic year.

B. For a teaching Faculty Member on special appointment: an individual who is hired to teach 12 contact/credit hours and perform teaching-related and additional responsibilities in one semester.

PART-TIME FACULTY

The term “Part-Time Faculty” is defined in Article 23.1

CONTACT/CREDIT HOURS

A contact/credit hour shall equal a 50-minute lecture hour meeting for each week of the semester.

ARTICLE III.
NON-DISCRIMINATION

3.1. The Board and the Federation recognize the right of any member of the bargaining unit to become or refrain from becoming and/or remaining a member of the Federation and will not discriminate or in any way interfere with such rights or the exercise of such rights.

3.2 The Board and the Federation shall continue their policy of not discriminating against any member of the bargaining unit on the basis of race, color, religious creed, national origin, ancestry, sex, sexual orientation, age, marital status, political affiliation, or present or past history of mental disorder, mental retardation, learning disability or physical disability as provided by Connecticut and federal law. Further, the Board and the Federation shall continue their policy of complying with Connecticut law regarding the employment of job applicants who have criminal conviction records. Finally, the Board and Federation agree not to discriminate against bargaining unit members based upon membership or fee paying status in any Union representing employees of the Board of Trustees.

3.3 All references to bargaining unit members in the Agreement designate both sexes, and whenever gender is specified it shall be construed to include male and female employees.

3.4 Wherever the term “spouse” is used in this Agreement, it shall also mean domestic partner. A “domestic partner” is a person who has qualified for domestic partnership benefits under the pension and health care agreement between the State and SEBAC.

ARTICLE IV.
FEDERATION RIGHTS

4.1 MEETINGS OF THE BOARD

4.1.1. Meetings of the Board which are open to the public, according to law, shall be open to any representative of the Federation.

4.1.2. For each such regular or special public meeting, a copy of the agenda will be mailed to the President of the Federation at the same time it is mailed to members of the Board. Included with the agenda will be such reports that are related to agenda items, provided that such reports are available for distribution. Reports which are not made available to the Board members in advance, but are handed out at the meeting, shall be mailed to the President of the Federation. In addition, a copy will be made available to each library by the college President’s office, preferably within a day of receipt.

4.1.3. Should the Federation wish to have a specific matter placed on the agenda of a Board meeting, the president of the Federation shall request such of the Board by giving fourteen (14) days written notice to the Chancellor. The Chancellor shall provide the president of the Federation with written notice of the disposition of the request not later than seven (7) calendar days after receipt of such request. Such request should not be unduly denied by the Board. The President of the Federation or his/her designee shall be accorded the privilege of speaking at Board meetings in accordance with Board rules and regulations.

4.2 USE OF FACILITIES

4.2.1. The Federation and its representatives and designees shall have the right to use the colleges' facilities, including designated bulletin boards, subject to reasonable rules established by the Board, provided that such usage does not interfere with or interrupt normal college operations or the obligation and duties of staff members as employees. The use of college facilities by a local chapter of the Federation for matters beyond the collective bargaining relationship shall be governed by the same Board policy applicable to student use of facilities.

4.2.2. The Federation shall not be charged for the use of such facilities during normal hours in which such facilities are not otherwise being utilized if there is no extra or special cost to the college from such usage.

4.2.3. Such use of facilities shall not include the use of equipment, materials, supplies or similar items, personal services, or machines.

4.2.4. Duly authorized representatives of the Federation shall be permitted to transact official Federation business on college property, provided that such transactions do not interfere with normal college operations.

4.3 If a Federation official is designated by the Federation to pursue specified union tasks for the local, State, or national union office, he/she shall, upon documented application to the Board which commits him for a period not to exceed two (2) years, be granted a Leave of Absence Without Pay. Upon mutual written agreement with the Board, this leave may be extended. No more than one individual in the System can utilize this leave at one time. Upon completion of such leave, the Faculty Member shall return to the same college at the salary and rank he/she would have attained had he/she not taken such leave.

4.4 The Employer shall provide the Federation with a copy of the Board's current policy and procedure manual. The Employer shall also place a copy of said manual in each college's library.

ARTICLE V.
ACADEMIC FREEDOM AND RESPONSIBILITIES

The parties to this Agreement subscribe to the following principles of academic freedom:

5.1 All Faculty members are entitled to full freedom in research and in the publication of the results, subject to the adequate performance of their other academic duties.

5.2 As members of their community, Faculty Members have the rights and obligations of all citizens. When they speak or write as members of society, they are free from institutional censorship or discipline, but their special position in the community imposes special obligations. As persons of learning they should remember that the public may judge their profession and their college(s) by their utterances. Hence, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate they are not spokespersons for the college(s).

5.3 All Faculty Members when teaching shall have professional freedom to conduct their courses, provided that the subject matter is that which has been specified by the college. Faculty Members should be careful not to introduce into their teaching controversial matter which has no relation to their subject(s).

5.4 All Faculty members respect and defend the free inquiry of their associates. In the exchange of criticism and ideas they show due respect for the opinions of others. They strive to be objective in their professional judgment of colleagues.

5.5 The determination of grades is the responsibility of the instructor of the course, subject to the Board's obligation to afford procedural and substantive protections to students and its duty to promulgate policies governing grading. A corollary of this responsibility is the duty of Faculty Members to submit grades in accordance with the procedural rules and regulations of the college.

ARTICLE VI.
CHECKOFF AUTHORIZATION AND MAINTENANCE

6.1 CHECKOFF AUTHORIZATION

During the term of this Agreement, the Employer shall make bi-weekly deduction of dues or agency service fee from the salary of each member of the bargaining unit. The amount of the dues and the amount of the agency service fee to be deducted shall be certified to the Board in writing by the Federation.

6.2 CHECKOFF MAINTENANCE

The Employer shall furnish to the Federation, within thirty (30) days of the execution of this Agreement, a list of all employees in the bargaining unit which list shall include the name, address, effective date of hire, and teaching load of such employees. Thereafter, the Employer shall advise the Federation, in writing, of Faculty Members hired or terminated or as to any changes in working hours, by providing the Federation with the semester summary of working hours. Names and addresses of new hires will be provided to Chapter presidents as soon as reasonably possible. All appropriate deductions shall be forwarded to the Treasurer of FTCT, Local 1942.

6.3 OTHER DEDUCTIONS

The Employer shall continue to make such deductions authorized by members of the bargaining unit as are in effect upon the effective date of this Agreement, including but not limited to: Teachers Retirement, State Retirement, Tax Sheltered Annuities, Credit Union, and FTCT COPE Fund and FTCT Scholarship Fund.

Pursuant to Section 5-260a of the Connecticut General Statutes, upon receipt of a professional staff member's written request, the employer shall deduct from that staff member's salary each pay period the requested payments to the AFT Political Action Committee and remit same promptly to the AFT, together with a list of names of unit members from whose salaries such deductions were made.

6.4 INDEMNIFICATION

The Federation shall indemnify the Employer and hold said Employer harmless against any claim, action, proceeding, judgment or other costs or obligations, financial or otherwise, arising from compliance by said Employer within the provisions of this Article. Any funds remitted to said Federation by said Employer, pursuant to the provisions of this Article, shall thereafter become the sole and exclusive obligation and responsibility of the Federation.

ARTICLE VII. **RIGHTS OF THE BOARD OF TRUSTEES**

Except to the extent that there is contained in this Agreement an express and specific provision to the contrary, all the authority, power, rights, jurisdiction, and responsibility of the Board are retained by and reserved exclusively to the Board, including, but not limited to, the right: to determine the mission of the System and the methods and means necessary to fulfill that mission, including the discontinuation of service, positions or programs in whole or in part; to determine the content of job classifications; to establish and enforce standards of efficient performance; to maintain discipline, order and efficiency; to determine educational policy, programs, and courses; to direct employees and to determine their duties and professional assignments; to determine the days and hours of the operation of the colleges; to determine the academic

calendar and to schedule work; to determine the quality, quantity, and types of equipment to be used; to determine the composition of committees; to introduce new methods and procedures and facilities; to determine staffing requirements; to determine expansion or reduction of operations; to select and hire employees; to determine qualifications; to reward and to promote unit members; to suspend, discipline, or discharge a unit member for just cause; to transfer and assign unit members; to lay-off unit members for lack of work or other legitimate reasons; to recall unit members; to determine that unit members shall or shall not perform certain functions; to take all necessary actions to carry out its mission in emergencies; to promulgate rules and regulations, provided that such rules and regulations shall not be exercised so as to violate any of the specific provisions of this Agreement.

ARTICLE VIII.
PROFESSIONAL WORKING CONDITIONS

8.1 WORK YEAR

8.1.1. Teaching Faculty Work Year

The work year for teaching faculty members shall consist of up to 160 days of instruction and exams. In addition, faculty members may be scheduled for up to eight (8) “College days” plus commencement for a total of 169 days.

The work year shall consist of two semesters (Fall and Spring), each having up to eighty (80) instructional/exam days. College Days may be scheduled within the work year set forth in Section 8.1.1.1 below.

Faculty who volunteer and work on registration days scheduled outside of the work year referred to in 8.1.1.1 of this Agreement may have the time credited to their additional responsibilities.

8.1.1.1. Teaching faculty shall be scheduled consistent with the following:

a) Fall Semester: Teaching faculty may be scheduled to work beginning on or after August 25 through December 23rd. However, where necessary for programmatic reasons (e.g., allied health programs), the academic work year may begin up to a week before August 25th by mutual agreement, which shall not be unreasonably withheld. Regardless of the first scheduled day of work, the first paycheck for new full-time, ten-month teaching faculty who begin employment at the beginning of the academic year will be no later than the pay period that includes August 25th.

b) Spring Semester: Teaching faculty may be scheduled to work beginning no earlier than the day following the Martin Luther King holiday through June 1, exclusive of commencement. Commencement shall not be scheduled later than June 5. Attendance at commencement scheduled after June 1st shall not be mandatory for Federation bargaining unit members.

8.1.2. Class Schedules

The class schedule for teaching Faculty Members shall be published by May 15 for the succeeding Fall semester and by November 15 for the succeeding Spring semester. Said schedule shall include each Faculty Member's individual teaching schedule and such other professional commitments as are generally applicable to the bargaining unit's members. The schedule shall include dates and times. Nothing contained in this Section shall be deemed to limit the right of the Employer to schedule Faculty Members or the right of the Employer to amend schedules after the dates set forth above to meet the needs of the Colleges and to respond to enrollment demand or the lack thereof.

8.2 **WORK DAYS**

8.2.1. Teaching Faculty Work Days

Teaching Faculty members are committed to the operation of the colleges five days a week Monday through Friday. No teaching Faculty Member shall be scheduled, without his/her consent, to teach on Saturday or Sunday. Recognizing the desirability of making courses available to students on weekends on an experimental basis, the Employer may seek volunteers from among the teaching faculty to perform such weekend instruction.

8.2.2 Teaching Faculty Work Hours

Teaching faculty may be scheduled to work during the hours between 8:00 a.m. and 10:00 p.m. Monday through Thursday and between the hours of 8:00 a.m. and 4:30 p.m. on Friday subject to the following limitations.

8.2.2.1. No teaching Faculty Member shall be scheduled in any day for a period in excess of eight (8) clock hours. For example, a Faculty Member scheduled for class at 8:00 a.m. shall not be scheduled for a class which ends on that day after 4:00 p.m. The foregoing limitation may be waived by the Faculty Member.

8.2.2.2. No teaching Faculty member with a class assignment after 6:00 p.m. on one day shall be given any assignment prior to 10:00 a.m. on the next day without his or her consent.

See Side Letter re: Flexibility in Scheduling.

8.2.3 Teaching Faculty Scheduling

With the agreement of the Department Chairman/Coordinator and Academic Dean, and if there is no serious disruption of other teaching faculty and/or students, no overt attempt shall be made to schedule any Faculty Member for any particular number of days per week for the sole purpose of having said Faculty members present on any given day(s).

8.3 ANNUAL WORKLOAD

8.3.1 Teaching Faculty

During each academic year, full-time teaching faculty shall:

8.3.1.1. Teach twenty-four contact/credit hours and perform related duties as provided in Section 8.3.5. below.

8.3.1.2. Perform additional responsibilities equivalent to the preparation and teaching of an additional three contact/credit course or an average of nine hours per week for each semester within the appointment year or teach an additional three contact/credit hours each semester or combine additional responsibilities with additional contact/credit hours as provided in Section 8.3.6. below. While the final decision of whether an individual faculty member shall teach an additional three (3) contact/credit hours course or perform additional responsibilities rests with management, the managerial decision shall be based on the merits of each individual faculty member's application for additional responsibilities in accordance with the procedures in Appendix E.

8.3.1.3. Laboratory hours in the sciences (including computer courses) and technologies, clinical hours in allied health, art studio hours, hospitality and food service laboratory hours, and all other courses having a laboratory, studio, or clinical component shall be treated the same as lecture hours for teaching credit purposes – that is they shall not have a lab/lecture ratio. The present ratio for lecture hours to practica hours shall continue in effect.

8.3.1.4. The parties agree that it is desirable to limit the number of class preparations required of a teaching faculty member to three per semester; however, it is recognized that the assignment of a fourth preparation may be required in special cases to accommodate the needs of the college. Whenever possible, the fourth preparation will be assigned on the basis of mutual agreement between the teaching faculty member and the President or his/her designee. Individuals responsible for four different class preparations in a semester shall be credited with two hours per week toward the satisfaction of additional responsibilities or, to the extent that workload credit cannot be provided, shall be paid up to the value of two-thirds of a contact/credit hour as an overload.

8.3.1.5. The parties recognize that in some cases, in order to accommodate the needs of the college, the teaching load of a teaching faculty member may have to be unequally divided between the semesters of an academic year. Whenever possible, such an arrangement shall be on the basis of mutual agreement between the faculty member and the President or his/her designee. No teaching faculty member shall be assigned more than 16 contact/credit hours – including the time spent on additional responsibilities pursuant to this agreement – during any one semester.

8.3.1.6. The parties agree that an individual cooperative education or field-work placement which involves both the development of work placement and on-site evaluation by the unit member may be considered to be equivalent to six (6) student contact hours. This provision constitutes a general guideline and shall not be deemed to require a reduction in workload for any unit member.

8.3.2 Librarians and Counselors

8.3.2.1. The regular annual workload for a Librarian (10-month) or Counselor (10-month) shall be five (5) days per week, which may include Saturday or Sunday, for a period of ten-months (August 15 through June 15). Unless otherwise agreed to by the individual concerned, all employees in Counselor (10-month) or Librarian (10-month) positions must have two consecutive days off in each week, at least one of which must be a Saturday or Sunday. Such employees may be scheduled between the hours of 8:00 a.m. and 10:00 p.m. Monday through Thursday and between the hours of 8:00 a.m. and 6:00 p.m., Friday, Saturday and Sunday.

The regular workday for a Librarian (10-month) or Counselor (10-month) shall be seven (7) continuous hours per day, excluding a meal period (e.g. 9:00 a.m. to 1:00 p.m., lunch, and 2:00 p.m. to 5:00 p.m., or 8:00 a.m. to 12:30 p.m., lunch, and 1:00 p.m. to 3:30 p.m.)

8.3.2.1.1 The regular annual workload for the position of Librarian (12-month) and Counselor (12-month) shall be five days per week, Monday through Friday, during the twelve (12) month professional appointment period; the five work days may include Saturday or Sunday for employees hired on or after July 1, 1992. Unless otherwise agreed to by the individual concerned, all employees in Librarian (12-month) and Counselor (12-month) positions hired on or after July 1, 1992 must have two consecutive days off in each week, at least one of which must be Saturday or Sunday. Librarians (12 month) and Counselors (12 month) may be scheduled between the hours of 8:00 a.m. and 10:00 p.m. Monday through Thursday and between the hours of 8:00 a.m. and 6:00 p.m. Friday, Saturday and Sunday.

The regular workday for a Librarian (12-month) or Counselor (12-month) shall be seven (7) continuous hours per day, excluding a meal period (e.g. 9:00 a.m. to 1:00 p.m., lunch, and 2:00 p.m. to 5:00 p.m., or 8:00 a.m. to 12:30 p.m., lunch, and 1:00 p.m. to 3:30 p.m.)

8.3.3 No Librarian or Counselor scheduled to work after 6:00 p.m. on one day shall be required to report to work prior to 10:00 a.m. on the next day without his/her consent.

8.3.4 Teaching Locations

Bargaining unit members are employed to teach at a single college. However, the Federation encourages Faculty Members to work cooperatively

with the Employer when the academic needs of the college system can most efficiently be met through voluntary acceptance of assignments at another college or location. No Faculty member shall be required to teach at more than one college or at another location without his/her written consent.

Bargaining unit members who teach at more than one college or at a location more than ten (10) miles from the home campus shall receive a five hundred dollars (\$500.00) stipend per semester.

8.3.5 Teaching and Related Duties

8.3.5.1. All Teaching Faculty members shall:

(a) within the workload limitations of Section 8.3.1. of this Article, perform such other duties as the president may assign, provided that such duties shall be consistent with the mission of the college;

(b) serve on college and division/department committees, if chosen;

(c) attend and participate in commencement ceremonies, unless excused by the President, wearing academic garb when required;

(d) attend and participate in college convocations, conferences, and meetings, and divisional/departmental meetings during the work year;

(e) prepare and teach college-approved courses in accordance with approved course descriptions and class schedules, including developing syllabi and reading lists and keeping each course taught complete and up to date;

(f) respond to and work with multiple constituencies, including students, peers (faculty and staff), and external agencies (business, community, educational, etc.);

(g) possess strong information literacy skills, including the ability to word process and to use spreadsheets, presentation ware, e-mail, CD-ROM, compressed video, the Internet, the World Wide Web, and other distance communication modalities; demonstrate the ability to evaluate, synthesize, and make decisions from data. ARTICLE XVIII. LEAVES

18.1. **SABBATICAL LEAVE**

18.1.1. Preamble.

Sabbatical leave is educational leave. The purpose of sabbatical leave is to provide a professional staff member with the time and support for scholarly or creative endeavors which will benefit the college and the staff member professionally, and/or enable the professional staff member to develop resources or materials to enrich his/her teaching effectiveness or the performance of administrative responsibilities. The Board grants sabbatical leave for a full year on half salary, or for a half year on full salary, or for such period and portion of salary as agreed to by the applicant and the Board. Eligibility for sabbatical leave shall create no condition, express or implied, that such leave must be granted.

18.1.2. Eligibility and Conditions

18.1.2.1. Eligibility. A professional staff member on a tenure track appointment shall become eligible for sabbatical leave after six (6) consecutive years of full-time service at a college. Such professional staff member shall be considered for sabbatical leave during his/her sixth year of full-time service, but the sabbatical shall not commence until he/she has completed six (6) years of service. Once the sabbatical leave has been taken, the professional staff member shall again become eligible for sabbatical leave after six (6) additional consecutive years of full-time service following the completion of the sabbatical.

18.1.2.2. Conditions. The recipient of a sabbatical leave is permitted to receive other remuneration in the form of fellowships, assistantships, grants, honoraria, or consultant fees. However, an individual on sabbatical leave is generally not expected to engage in paid employment elsewhere. Each applicant

for sabbatical leave shall disclose, as part of his/her proposal, all anticipated remuneration including but not limited to, professional development and/or tuition reimbursement dollars and, if paid employment is involved, he/she shall describe the relationship of such employment to the purpose of the sabbatical leave as outlined in Section 8.1.1 above. Total compensation while on sabbatical leave shall normally not exceed the regular salary (base pay plus longevity) of the recipient plus the expenses attributable to the leave. The recipient of a sabbatical leave must agree to return to the college for at least one year of full-time service following the expiration of the leave. Failure to return to the college for at least one year may result in forfeiture of any and all compensation due him/her and shall be considered a resignation not in good standing.

18.1.3. Rights

Time on sabbatical leave at full or partial pay shall be considered as continuous service for longevity and retirement pursuant to the professional staff member's particular State-approved retirement plan. Time on sabbatical leave at less than full pay will be considered as full-time service for the purpose of determining years of service for longevity. All fringe benefits shall be continued during the period of the sabbatical leave. Upon completion of such leave, the professional staff member shall return to the same college at the same salary and rank he/she would have attained had he/she not taken such leave.

18.1.4. Number

The number of professional staff members on sabbatical leave at any time at a college shall not exceed five percent (5%) of the full-time professional staff in the bargaining unit, provided that the Chancellor may approve more than five percent (5%) in the bargaining unit, except that at colleges with fewer than twenty (20) such professional staff members, one (1) such member may be granted a sabbatical in any given year. For the purpose of calculating this limitation, twelve-month staff on sabbatical leave during the summer months shall not be considered a part of the five percent (5%) limitation.

It is anticipated by the parties that sabbatical leave shall be granted to five percent (5%) of the bargaining unit in each year of this Agreement, provided that there are sufficient qualified applicants and there is no net cost to the System.

18.1.5. Sabbatical Leave Committee

At each college, there shall be a Sabbatical Leave Committee elected by the members of the bargaining units.. At merged campuses, subcommittees will be established consisting of representatives of each bargaining unit. Each respective subcommittee shall make the recommendation with respect to its own bargaining unit members. Only tenured employees or employees on tenure track

appointment at the college may serve as members of a Sabbatical Leave Committee. The size and composition of the committee shall be determined by mutual agreement.

The Sabbatical Leave Committee shall have the responsibility to review all applications for sabbatical leave and make recommendations to the President that shall list in priority order applicants recommended for sabbatical leave at full pay, and separately, applicants recommended for sabbatical leave at half pay.

The operation of the Sabbatical Leave Committee shall be subject to the supervision of the President or his/her designee. The committee shall review the Board's guidelines for its work and shall keep a written record of the dates of all meetings, attendance at the meetings, and materials considered. These records and materials shall be in the custody of the President or his/her designee. The committee shall not disclose its records or recommendations except as provided herein.

18.1.6. Procedure

Applicants for sabbatical leave shall prepare a proposal for leave which describes the prospective activity, and indicates the contribution it will make to the individual concerned and to the college, and addresses all other conditions set forth in section 18.1.1 and section 18.1.2. By November 1st of the year prior to the year in which the sabbatical would occur, the proposal shall be submitted to the President on a form established by the Employer. The November 1st deadline for submitting such proposals may be extended, at the discretion of the President, when he/she determines that the applicant was unable to meet the deadline due to circumstances beyond his/her control.

The President shall seek the recommendations of the Sabbatical Leave Committee, which shall be submitted by December 15. In making its recommendations, the committee shall be guided only by the criteria contained in Section 18.1.1 of this Article and shall proceed in the manner set forth in Section 18.1..5. By February 1, the President shall forward his/her recommendations to the Chancellor's office. Prior to making his/her recommendations, the President or his/her designee shall meet and discuss his/her intended recommendations with the Sabbatical Leave Committee. Where there are differences between the President and the committee, the committee may forward a statement of the reasons for its position to the Chancellor or his/her designee, with a copy to the President.

The Chancellor or his/her designee shall consolidate the recommendations of all college presidents and shall act on the recommendations by April 1. The Chancellor shall consider the priority recommendations of the presidents within the bargaining unit and allocate such full-pay and half-pay sabbatical leaves as he/she may approve in a manner that is consistent with this Article and with funds available for the unit.

All applicants shall be entitled to know the formal recommendations at each level and the decision of the Chancellor or his/her designee, which shall be final.

18.2. LEAVE OF ABSENCE WITHOUT SALARY

Upon recommendation of the President, which recommendation shall not be unreasonably withheld, leave of absence without salary may be granted by the Board for a period not to exceed two (2) years, except that upon establishment of actual disability such leave shall be granted. No attempt shall be made to reschedule a faculty holiday to a Friday for the sole purpose of having faculty members not present on this particular day.

ARTICLE XXI. PROMOTION

21.1. DEFINITION

Promotion is defined as the advancement in rank or grade by a Faculty Member within the college. All promotion-eligible candidates shall be promoted if the President, within the current delegation of authority, determines that they meet the standards for promotion in this Agreement.

21.2. ELIGIBILITY FOR PROMOTION

Fulfillment of the minimum formal requirements for promotion to a higher rank (see Schedule C) shall determine eligibility for promotion, but shall not guarantee a right to a promotion, which shall remain within the sole discretion of the President. Prior service on full-time special appointments, which the employer determines is similar, shall be credited. The normal expectation for promotion from Instructor to Assistant Professor is after three (3) years of service.

21.3. CRITERIA FOR PROMOTION

In granting a promotion to a higher academic rank or grade, the criteria for ranking eligible candidates and the weights attributed to such criteria shall be as determined by the Board or its designee and as contained in Appendix A. After consultation with the Federation, such criteria may be changed by the Board, provided the revised criteria are distributed at least two (2) months before an evaluation is conducted for the purpose of any such promotion.

21.4. PROCEDURES FOR PROMOTION

21.4.1. It is the responsibility of the Faculty Member to submit to the President of the college an application for promotion, with supporting documentation, on a form which the President will make available. All candidates must apply by January 5th.

21.4.2. At each college there shall be one Promotion Committee. That committee shall be made up of three sub-committees, one consisting of Congress bargaining unit members, one consisting of Federation bargaining unit

members and a third consisting of AFSCME[‡] bargaining unit members. These committees shall be chosen in accordance with each union's current contract language, except that the AFSCME bargaining unit shall elect one member for each merged campus. Each sub-committee shall make its recommendations independently with respect to members of its bargaining unit. AFSCME members shall maintain their current practice unless they choose to opt into the committee process. The Board shall consult with the Unions with respect to the written instructions which it gives to promotion committees.

21.4.3. The Federation sub-committee shall be the Faculty Advisory Promotion Committee (F.A.P.C.) which shall consist of six Faculty Members chosen by the President from among the names of nine Faculty Members submitted to him/her by the Federation faculty. The F.A.P.C. will screen all applicants for minimum academic requirements as set forth in Schedule C and evaluate the merits of each applicant as set forth in Appendix A. In exceptional circumstances, after consultation with the F.A.P.C., the President may recommend a waiver of minimum qualifications for promotion to the Board. The F.A.P.C. shall not rank candidates but shall produce a written recommendation with supporting rationale for each candidate recommended. The format of the recommendation shall be chosen by the F.A.P.C. These comments shall not be used in any grievance procedure. The F.A.P.C. must submit its recommendations to the President by March 1.

21.4.4. The F.A.P.C. and the President shall meet to consult after the FAPC submits its final recommendations and may meet to consult before such submission. The President shall notify the F.A.P.C. of his/her promotion decisions, which must be published by April 15. (See side letter re: Consultation.) When the President determines that a candidate has failed to meet the standards for promotion reflected in the appropriate collective bargaining agreement, she/he will provide specific written suggestions for areas of improvement. (See side letter re: Areas of Improvement.)

21.4.5. Funding.

It is anticipated that the cost of promotions shall be paid out of funds provided for such purpose in the collective bargaining agreement. Should such funds prove insufficient, the parties shall bargain over the appropriate response; however, such bargaining shall not result in additional costs to the collective bargaining agreement. The promotion process shall continue unaffected; however, no promotion shall be made until the funding issue is resolved.

ARTICLE XXII.
LAYOFFS

22.1. REDUCTION IN FORCE

The Board shall retain the right to reduce its workforce. A reduction in force does not include a termination of employment for disciplinary reasons.

22.2. METHODS OF REDUCING THE WORKFORCE

22.2.1. Attrition. Insofar as possible under the circumstances, the Employer shall attempt to permit the process of attrition to effectuate the required reduction in staff.

22.2.2. Reassignment. When a reduction in staff is deemed necessary by the Employer every effort shall be made to reassign the affected employee to another academic position within the same or another department at the college where the reduction in staff occurs or at the same department or another department at another college, or to provide the employee with an assignment at two colleges which collectively comprise a full-time appointment in accordance with Article 8.3.4; provided, however (a) that no such reassignment shall be made unless such Faculty Member is qualified for the newly assigned work and (b) that such reassignment shall only be made to a position then vacant.

If the Employer determines that a Faculty Member may, with limited retraining, qualify for reassignment to an academic position then vacant, such Faculty Member may be granted up to one year's leave of absence without pay in order to obtain the training that will qualify him/her for reassignment. The vacant position will be filled by special appointment for up to one (1) year, pending the Faculty Member's completion of required training during the specified time allotted.

22.2.3. Layoffs. When attrition and reassignment are insufficient or inapplicable methods of effectuating the required reduction in staff, bargaining unit members shall be laid off in accordance with the following:

22.2.3.1. The Employer may lay off on a system-wide basis or may limit the layoff to a specific department or technology. For the purposes of this Article, the library and counseling office at each college shall be considered a department.

22.2.3.2. In accordance with Section 22.2.3.1., above, the order of layoff of bargaining unit members shall be as follows:

- a. Part-time employees on special appointment
- b. Full-time employees on special appointment
- c. Part-time employees on terminal appointment

- d. Full-time employees on terminal appointment
- e. Part-time employees on regular appointment
- f. Full-time employees on regular appointment
- g. Employees on tenured appointment

Layoffs in each category listed above in this section shall be based upon both the academic needs of the System and seniority.

22.2.3.3. Non-bargaining unit employees in teaching, counseling, and/or librarian positions shall be laid off before bargaining unit employees except the employer may retain non-bargaining unit employees with special qualifications which cannot be readily replicated by bargaining unit employees.

22.2.3.4. After the Employer has identified the number of layoffs necessary and the departments or technologies affected, tenured bargaining unit members who are qualified, as determined by the Employer pursuant to the provisions of Section 22.2.3.4.1. and who have the ability to perform the work retained by the Employer, as determined by the Employer pursuant to the provisions of 22.2.3.4.2., below, may bump bargaining unit members in the same classification as the bumpor who have less seniority than the bumpor in the following order:

- a. less senior members assigned to the same department as the bumpor at the same college, starting with the least senior;
- b. less senior members assigned to other departments at the same college as the bumpor, starting with the least senior;
- c. less senior members assigned to the same department as the bumpor at a different college, starting with the least senior; and
- d. all other less senior members assigned to other departments at other colleges, starting with the least senior.

22.2.3.4.1. The following procedures shall be used to determine whether a member of the bargaining unit is qualified to bump into another department at the same or a different college:

- a. A bargaining unit member who feels that he/she is qualified to teach and/or perform the job duties of positions in a different department within the System shall submit to the Employer a completed candidate summary form as provided by the Employer. This candidate summary form shall be filed by a tenured bargaining unit member within ninety (90) days of a grant of tenure. An updated candidate summary form shall be filed when the tenured bargaining unit member's status changes; the window period for such filing shall be September 1 through November 30 of each academic year.

b. The Employer shall inform the candidate of its decision regarding the candidate's qualification to teach and/or perform the job duties of a position in a different department within a reasonable period of time after the filing of the form, said time generally to be within sixty (60) days after the filing of a form upon a grant of tenure or sixty (60) days after the close of the annual window period.

c. All bargaining unit members who have been deemed qualified for interdepartmental bumping rights shall retain such bumping rights subject to the right of the Employer to review and revise the qualifications for any particular department. When the Employer revises the qualifications of any particular position or department, all previously qualified bargaining unit members shall receive timely notice of such revision.

22.2.3.4.2. After notice of layoff, an Employee with departmental or interdepartmental bumping rights may be requested by the Employer for information concerning his/her experience and/or training when a determination is being made regarding the Employee's ability to perform the work retained by the Employer.

22.2.3.5. After written notification of the position to which a bumping employee will be assigned pursuant to 22.2.3.3., and employee must accept such assignment by written notification to the Employer within seven (7) calendar days. Employees who bump in lieu of layoff shall retain their rank and salary.

22.2.3.6. Seniority shall be defined as current, continuous service measuring from the Employee's most recent date of appointment or most recent date of hire to a bargaining unit position. Part-time bargaining unit employees shall accrue seniority without regard to the number of hours worked. Within sixty (60) days after the effective date of this Agreement, the Employer shall provide the Federation with a seniority list of bargaining unit employees.

22.2.3.7. Notice of Layoffs. The Employer shall give at least twelve (12) months' notice of layoff. Such notice does not apply to the bumpee under paragraph 22.2.4. below.

22.2.4. Recall. Employees who have been laid off shall be eligible for recall for a period of two years to a position at any college in the same department from which they were laid off or in a department in which they previously served. The order of recall shall be the most senior qualified employee for the available position. Employees shall receive notice of recall opportunities by registered letter at their last known address. A recalled employee must respond by registered letter within fifteen (15) calendar days. After the passage of fifteen (15) calendar days, recall rights shall be lost for that position and the next senior qualified employee for the available position shall be recalled. For two years after a layoff, the President of the Federation shall be notified of any bargaining unit positions to be filled in the System.

22.2.5. Scope of Grievance Arbitration. The determination of whether to reduce the workforce, the scope of such reduction of the workforce, the determination of what part of the workforce to reduce and the determination of qualifications for reassignment or bumping shall not be grievable or arbitrable.

22.2.6. Expedited Grievance-Arbitration. Grievances involving or affecting a reduction in force shall be expedited as follows:

- a. Filed with the Chancellor within seven (7) calendar days, with or without a meeting;
- b. Written response within seven (7) calendar days, with or without a meeting;
- c. Arbitrator to be selected who can hear the case within twenty (20) days;

APPENDIX B
GRIEVANCE SETTLEMENT
(Grant or Contract-funded Courses)

Whenever a teaching Faculty member voluntarily accepts an offer of employment to teach a grant or contract-funded course (regardless of the location of where the course is taught or whether said course is for credit or not), he/she shall be compensated at market driven rates, as determined by the Employer and the individual bargaining unit member. Said rates shall not be subject to the grievance and/or arbitration provisions of the Parties' collective bargaining agreement. For these purposes, a "grant-or contract-funded course" shall be defined as any course whose funding derives from a grant from a contract with any public sector or private entity (for example, a contract with Pratt & Whitney or a grant from the Connecticut Department of Labor).

Recognizing that the parties have not sought to re-negotiate the provisions of the above paragraph, the parties hereby confirm the continuing applicability of this paragraph to the compensation of teaching faculty who voluntarily accept additional employment for such courses.

The Employer may determine the number of weeks and the contact/credit hours which shall be contained in courses covered by this Appendix.

APPENDIX C
MEMORANDUM OF AGREEMENT RE: SEMESTER CONFIGURATION

Applicable To Courses Which Are Assigned To Level I Or Level II Part-Time Faculty Members Or Which Are Part Of A Full-Time Faculty Member's 24 Contact/Credit Hour Workload:

The parties recognize that a semester configuration of less than the fifteen/sixteen week norm may be desirable. It is agreed that the fifty-minute contact/credit hour standard may be adjusted to accommodate such alternative semester configuration. Therefore, the parties agree that the alternate semester configuration shall be derived by dividing 750 minutes by the alternative number of weeks, e.g. 750 minutes divided by 14 weeks= 53.5 minutes per week for each contact/credit hour.

Grant or Industry related programs which are assigned as part of the regular workload of Faculty Members may necessitate substantially reduced week semesters (such as the Gateway Community College Automotive Program). When such programs are identified, the parties shall meet to resolve any concerns caused by such alternative scheduling.

APPENDIX D
LETTER OF AGREEMENT RE:
ADDITIONAL RESPONSIBILITIES OF TEACHING FACULTY

In the course of negotiations, the parties have identified shared concerns regarding the professional responsibilities of teaching faculty beyond those associated with classroom instruction and related duties. The parties recognize that, as professionals, teaching faculty are expected to extend their services to meet other institutional needs related to the mission, goals, and priorities of the college and System. Further, the parties acknowledge that the employer has the responsibility and the right to require the satisfactory fulfillment of appropriate additional responsibilities as part of the teaching workload requirement set forth in Section 8.3.1.2 and to evaluate the quality of services rendered under the provision as part of the employee's overall evaluation.

To this end, each college shall publish and distribute to all members of the teaching faculty a comprehensive statement of its institutional mission, goals and priorities. At the conclusion of the spring semester, on or before June 1, each faculty

member will submit a report indicating the specific activities that were undertaken to meet the obligation of Section 8.3.1.2. The report shall recommend additional responsibilities for the following year. The report will also be included in the faculty member's professional file and be considered for purposes of evaluation. The employer will determine whether the statement satisfies the obligations specified in Section 8.3.1.2. and is consistent with the priorities of the college and the System.

It is contemplated that questions regarding additional responsibilities may be resolved by means of correspondence or discussions during the summer months. Unit members shall not be required to participate in any such discussion and the employer shall incur no liability as the result of any such discussion.

Should it be determined that the statement does not satisfy this intent or that there are other priorities, the employer will so notify the faculty member on or before September 1. The faculty member will be encouraged to file an amended statement within fifteen days of receiving this notice. The employer will confer with the faculty member upon the request of the faculty member and make a reasonable effort to reach agreement on the additional responsibilities. By September 15, or as soon thereafter as possible, the employer shall provide a statement of additional responsibilities to the faculty member, which shall be a part of the professional file. It is recognized that circumstances may necessitate alteration in the additional responsibilities during the academic year. Changes may be initiated by either the employer or the faculty member, but must be approved by the employer.

APPENDIX E
RE: ADDITIONAL RESPONSIBILITIES

The Side Letter regarding Additional Responsibilities includes a mechanism for building in significant peer input designed to re-energize and better organize Additional Responsibilities. The peer teams shall have access to all reports upon complete Additional Responsibilities so that they may better guide the following year's Additional Responsibilities. If the parties are unable to agree on the mechanism for building in peer input, the mechanism shall be subject to arbitration before Tim Bornstein, however any resulting mechanism shall not alter the managerial review provided above.

APPENDIX F
RE: COMPUTER LITERACY

The parties understand that the computer literacy language of Section 8.3.5.1.(g) and Section 8.3.7.(d) shall not be interpreted as requiring Faculty Members, Counselors and Librarians to possess each and every skill listed in those sections. Rather, it is the parties' understanding that Faculty Members, Counselors and Librarians should possess strong computer/information literacy skills and that they should possess such skills required for the full and effective performance of their positions. To the extent that Faculty Members, Counselors and Librarians need to improve their computer/information

literacy skills, the parties encourage them to engage in Professional Development activities designed to gain or strengthen such literacy skills.

APPENDIX G
AGREEMENT RE: SELECTION AND COMPENSATION OF
TECHNOLOGY PROGRAM COORDINATORS

Currently, it is the Board's intention that all technology programs will have a field practice, internship or cooperative educational experience.

The Federation and Board agree as follows:

1. The president, after consultation with the dean in charge of technology programs, will designate the technology program coordinators. A faculty member presently designated as "department chair" of a technology program will be given first consideration as a coordinator of that program.
2. For 1994-95, technology program coordinators will be considered category II program coordinators. For 1995-96, a technology program coordinator will remain in category II, provided he/she coordinates a field practicum, internship or cooperative education experience as an integral part of his/her program. For those technologies where field practica, internships or cooperative educational experiences are suitable, the management of each college will work with the coordinators to incorporate such an educational component in the coordinators' programs. A coordinator who has not made substantial progress toward full implementation by the Spring of 1995 will be compensated as a category I coordinator for 1995-96, unless his or her lack of substantial progress is caused by the management of the college failing to work with him or her as called for above.

It is understood that management may determine that field practica, internships or cooperative educational experiences are not suitable for some technologies, in which case the coordinators for those technologies shall be placed in category I.

3. For 1994-95 and 1995-96, coordinators compensated as category II coordinators will receive a combination of release time and cash compensation. This provision shall sunset and expire on June 30, 1996.
4. This Agreement and the practice under it shall not constitute a precedent and may not be asserted except to enforce its terms.

APPENDIX H
MERGED COLLEGE ACADEMIC STRUCTURES
(DEPARTMENT CHAIR AGREEMENT)

Agreement, made and entered into by the Congress of Connecticut Community Colleges ("the Congress") and the Federation of Technical College Teachers,

Local 1942, American Federation of Teachers (“the Federation”) hereafter referred to as “the unions”, and the Board of Trustees of the Community-Technical Colleges, hereafter referred to as “the Board”. Where a portion of the Agreement relates to a specific union or unions, the Agreement shall refer to the Congress or the Federation.

This Agreement follows from a decision by the Board to merge the separate academic organizations of the five merged community colleges so that each college has a single academic structure.

The parties agree as follows:

1. That they fully bargained with respect to the impact of the Board’s decision, including compensation for academic supervision, and that the Agreements reached are set forth in this document. However, it is understood that this Agreement does not purport to resolve issues or affect any party’s rights with respect to unit placement.
2. To the extent that this Agreement modifies a term of the Collective Bargaining Agreement between the union and the Board, the terms of this Agreement shall control.
3. Disputes with respect to the interpretation of this Agreement shall be subject to the following grievance resolution mechanism:
 - a. Grievance may be filed by either union at Board level. The non-filing union shall be a necessary party to said grievance with the right to be present and heard.
 - b. Grievances shall be resolved utilizing the procedure outlined in Article 8.4 of the 1990-1993 Collective Bargaining Agreement between the Federation and the Board.
 - c. The arbitrator shall not substitute his judgment for that of the employer or make a decision which has the effect of substituting his judgment for that of the employer with respect to academic judgments.
4. It is understood that the Agreement with respect to the implementation of the new academic structures is modified to take cognizance of the date of this Letter of Agreement, so that implementation will occur for the Fall Semester, 1994. The department chairs will be selected and announced by June 2 or as soon thereafter as is feasible.
5. Department chairs shall be given release time for their chair duties based upon the number of full-time equivalent (FTE) faculty they directly supervise.

- a. FTE faculty shall be determined by adding the number of active full-time faculty as of the beginning of the Fall Semester and the average number of part-time members during the Fall and Spring Semesters of the previous academic year. In departments which have program coordinators supervising faculty in their programs/disciplines, chairs will receive release-time credit for supervising coordinators but not for faculty in the coordinators' programs/disciplines.
- b. The total FTE faculty will be determined by adding the total full-time faculty and the total FTE part-time faculty. The total FTE part-time Congress faculty will be determined by dividing the total number of credits taught for the Fall and Spring Semesters by 24. The total FTE part-time Federation faculty will be determined by dividing the total number of contact hours taught for the Fall and Spring Semesters by 30.

FTE Department Faculty Supervised	Released Credit Hours (Congress-annual)	Released Contact Hours (Federation-Annual)	Compensation Range ^{††}
1 – 3.99	6	8	\$ 100+
4 – 9.99	9	11	\$ 400+
10 – 16.99	12	15	\$1,000+
17 – 25.99	15	19	\$1,700+
26 or more	18	23	\$2,600 plus \$100 per FTE faculty member in the department over 26

- c. Department Chairs shall receive \$100 per FTE faculty member in the department for their ongoing responsibility for department business. In accordance with the present practice, it is recognized that department chairs and teaching Faculty Members with administrative responsibility may devote time to the department's business during the summer and intersessions. When it is necessary for a department chair or other teaching faculty member with administrative responsibility to devote considerable time to department business during the summer, and a mutually agreed-upon schedule is worked out, the appropriate dean, with the approval of the President, may authorize additional days of compensation at \$202 per day, not to exceed 20 days.
- d. A department chair who supervises 17 or more FTE faculty, may not receive more than 12 credit hours (Congress) or 15 contact hours (Federation) of release time per academic year. In such case, the appropriate dean, in consultation with a department chair, and with

^{††} See Schedule D (Miscellaneous Rates of Pay) for current pay rates for Department Chairs.

approval of the President, may allocate part of the release time assigned to the department to another member of the department, who may be referred to as an academic discipline coordinator to assist with administrative duties. For situations in which the employer determines that there is no suitable person to perform the work, the department chair shall be paid \$255 for each FTE beginning with the 17th FTE.

6. In consideration of the fact that the new academic organization represents a departure from the existing structure under the Federation contract, a non-recurring lump sum payment of \$35,000 dollars shall be divided on a per capita basis to each member of the Federation bargaining unit employed on June 3, 1994.
7. It is understood that any additional costs which result from the implementation of this Agreement for 1994-95 shall be taken from funds currently available under the Congress contract. The parties understand the additional cost shall be substantially as outlined in the Board's costing dated April 22, 1994 (appended hereto), plus the \$35,000 reflected in paragraph 6 above, minus the one hundred and forty-four thousand dollars for summer work and the \$64,165 for conversion of division directors to department chairs (Capital Community-Technical College).

Further, it is agreed that the costs which result from the implementation of this Agreement for 1995-06 shall be a part of the cost structure for the Congress contract for that fiscal year. This cost shall be submitted in any arbitration as a stipulated issue and shall not be deemed to have any impact on the arbitrator's decision with respect to any other compensation item.

APPENDIX I **DEPARTMENT CHAIRS (UNINTENDED CONSEQUENCES)**

Whereas, the parties recognize that the impact of the Letter of Agreement re: Merged College Academic Structures has resulted in unintended adverse consequences; and,

Whereas, the parties desire to ameliorate these consequences;

Now, therefore, the parties agree as follows:

1. Department chairs who work in an academic structure in which division directors have administrative responsibilities for the department will be paid \$100 per FTE faculty in the department. This is in addition to release time for part-timers which is provided for in the tentative agreement of May 24, 1994.
2. For departments which have program coordinator(s) supervising faculty in the program(s), chairs will receive release-time credit for FTE faculty in the program on a prorate basis of 1 to 10. The foregoing is in addition to the compensation credit set out in paragraph 5 of the Letter of Agreement.

3. The parties agree to bargain over whether it is appropriate to include as a compensable factor non-Faculty Members who are supervised by members of an academic department. If the parties fail to reach agreement on this issue, it shall be subject to expedited interest arbitration. Any additional costs resulting from the arbitrator's award shall be subject to paragraph 4, below.
4. Any additional costs resulting from this agreement for 1994-95 and 1995-96 shall be taken from funds available under the Federation contract (1992-93 professional development dollars).
5. The accommodations set out herein, including any costs pursuant to paragraph 3, above, shall be terminated at the end of 1995-96 and may not be asserted as precedent by either party.

APPENDIX J
TREATMENT OF PTL CALCULATION FOR DEPARTMENT CHAIRS

This is to confirm the understanding of the parties that part-time faculty who are retained to partially replace full-time faculty granted release time are not included in department FTE calculations if: (a) The released faculty member does not report to the department chair for the released activities; and (b) the release is not for supervisory responsibilities under the department chair and program coordinator agreements. The departments FTE calculations will continue to include full credit for the full-time faculty member, as provided by the agreement(s) among the parties.

APPENDIX K
MINORITY FELLOWSHIP PROGRAM

Agreement made this 17th day of May 2000 by and between the Congress of Connecticut Community Colleges ("the Congress"), AFSCME Local 1303-148, Council 4 ("AFSCME"), the Federation of Technical College Teachers, AFT ("The Federation") and the Board of Trustees of Community-Technical Colleges ("the Board") respecting the Community College System Minority Fellowship Program.

1. The parties agree that dollars contained in separate contract accounts for purposes of the Minority Fellowship Program shall be pooled for use in support of the Program, irrespective of the College or System Office location of the particular fellow, mentor or activity being funded. Expenditure of minority fellowship dollars shall be subject to agreement by all parties.
2. The parties further agree that monies set aside for the Minority Fellowship Program that have been carried forward from prior years shall be used for such program-related activities as the parties may mutually agree to support.

3. It is contemplated that there will be thirteen fellows in each appointment year, one at each college and one in the Chancellor's Office. The parties agree that the scheme for bargaining unit placement of fellows shall be as follows:
 - a. All fellows selected at non-merged colleges shall be placed in the Congress bargaining unit;
 - b. A fellow selected at Capital Community College shall be placed in the AFSCME bargaining unit;
 - c. Fellows selected at Gateway Community College and at Naugatuck Valley Community College shall be placed in the Congress bargaining unit;
 - d. Fellows selected at Norwalk Community College and at Three Rivers Community College shall be placed in the Federation bargaining unit;
 - e. The fellow selected for the Chancellor's Office shall be placed in the Congress bargaining unit. The placement of the Chancellor's Office fellow in a bargaining unit shall not be asserted as a precedent.
4. The parties agree that nothing contained in the 1997-2001 Coalition Agreement or any other applicable agreement, nor shall any practice of the parties respecting the deduction of dues and fees from the stipends paid to minority fellows be offered as evidence for any purpose in any negotiation between the Board and the Coalition unions, or any of them, or in any proceeding that may be commenced before the State Board of Labor Relations or before any court.
5. The Union agrees to indemnify and save the Board harmless from any claims arising out of or resulting from any deduction of dues or fees from the stipend paid to minority fellows. In the event any agency or court of competent jurisdiction orders the Board to rebate to fellows the service fee or any portion thereof, the Union agrees to hold the Board harmless for said deduction by returning the agency fee which has been deducted for the period involved.

APPENDIX L
Re: MINORITY FELLOWSHIP PROGRAM

In an effort to add value to the fellowship experience, the three professional employee unions and the Board have agreed that financial support for the professional development activities for fellows, and fellows and mentors, may be afforded, up to the limits specified:

- Up to \$500 per fellow on an annual basis;
- For joint fellow/mentor activities, up to \$250 annually for the mentor to participate jointly with the fellow in a professional development activity. It is assumed that the lesser amount for the mentor is appropriate because there is already professional development funding for the mentor as a professional staff member.

APPENDIX M
COMPENSATION OF ATHLETIC COACHES

The parties have agreed to the following with respect to the compensation of part-time athletic coaches in the Congress, AFT and AFSCME bargaining units:

1. This memorandum of agreement resolves all issues, which were or could have been raised regarding the terms of the Spring 1998 settlement agreement which provided that “There shall be a joint study committee created to look at harmonizing coaching compensation. Any increases in total dollars recommended by the committee and approved/ratified by both the coalition and the Board of Trustees shall be paid for with existing contract funds.”
2. The parties have adopted a new compensation structure for part-time athletic directors and coaches for the 1999-2000 and 2000-01 academic years, as indicated on Attachment A.^{††} The new harmonized structure replaces the 1977 “community college” grid and the rates of pay in Article 16 of the AFT contract and shall be included in the three contracts (i.e., AFT, CCC and Congress/AFSCME merged agreement).
3. The new structure has two tiers for coaches as noted below:
 - Major Sports: basketball, baseball, soccer, softball and football.
 - Minor Sports: golf, tennis cross-country, track, volleyball, field hockey, and all other sports unless the parties otherwise agree.
4. Employees will be placed on the new salary grid in accordance with the following:
 - a. Individuals employed in the CTC system as athletic coaches during the 1998-99 and 1999-2000 year will be placed on the 1999-2000 grid, at the closest step which does not result in a decrease from the 1997-98 salary.
 - b. Individuals previously employed in the CTC system as athletic coaches, but not employed as coaches during 1998-99 shall be placed at the minimum salary.
 - c. New athletic coaches will be placed at the minimum salary.
 - d. Athletic directors will be placed at minimum salary.
5. Coaches who work in 1999-2000 and return in 2000-2001 shall move from their step on the 1999-2000 grid to one-step higher on the 2000-01 grid. Athletic directors who work in 1999-2000 and return in 2000-01 shall move from step one of the 1999-2000 and return in 2000-01 shall move from step one of the 1999-2000 grid to step two of the 2000-01 grid.

^{††} Rates of pay for Athletic Coaches for the period 2002-05 are set forth at Schedule D.

6. Increases to the athletic director and coach compensation schedule, and continuation of step increases beyond the 2000-01 year are subject to future negotiation and funding.
7. Recognizing that athletic programs vary in size and scope, the parties have agreed that colleges with fledgling athletic programs may compensate part-time Athletic Directors at a rate which is 85% of the rates noted in Attachment A. The parties do not contemplate payment of the reduced rate for more than three years.
8. The following rules shall govern the placement of part-time Athletic Directors and Coaches into the three bargaining units:
 - c. Full-time faculty and administrators who are engaged as athletic directors or coaches for additional compensation shall remain in their current bargaining unit (i.e. Congress, AFSCME or AFT).
 - d. Employees whose only employment obligation is part-time athletic director or coach shall be placed in either the Congress or AFT bargaining units based upon the following:
 - e.
 1. Athletic directors and coaches at the seven non-merged colleges (Asnuntuck, Housatonic, Manchester, Middlesex, Northwestern, Quinebaug Valley, Tunxis) shall be placed in the Congress bargaining unit.
 2. Athletic directors and coaches at the five merged colleges (Capital, Gateway, Naugatuck Valley, Norwalk, Three Rivers) shall be placed in the Congress or AFT unit in accordance with this schedule.
 - The first athletic director or coach goes into the Congress
 - The second athletic director or coach goes into the AFT
 - The third athletic director or coach goes into the Congress
 - The fourth athletic director or coach goes into the Congress
 - The fifth athletic director or coach goes into the Congress
 - The sixth athletic director or coach goes into the AFT
 - The seventh athletic director or coach goes into the Congress
 - The eighth athletic director or coach goes into the Congress
 - The ninth athletic director or coach goes into the Congress
 - The tenth athletic director or coach goes into the AFT
 - The eleventh athletic director or coach goes into the Congress
 - The twelfth athletic director or coach goes into the Congress
 - The thirteenth athletic director or coach goes into the Congress
 - The fourteenth athletic director or coach goes into the AFT

3. Unit placement decisions at the merged colleges are done college by college, one year at a time as indicated in 8.b.2 above. The parties recognize that this methodology may result in employees changing bargaining units each year.
9. Neither party will assert the characteristics (e.g., salary ranges, step values, step advancement) of the athletic director and coach compensation structure as precedential with respect to the salary structures of other bargaining unit employees, including but not limited to, other part-time Educational Assistants, part-time lecturers, full-time administrators or faculty.
10. Rollout dollars in the existing collective bargaining accounts will be used to cover the cost of implementation of this agreement. Fudging requirements will be determined by comparing the total amount spent on coaches in 1997-98 with the total amount spent in 1999-2000 and 2000-01, with the difference coming from contract accounts. The Board will provide the unions with an analysis of the cost of implementation.

APPENDIX N
MEMORANDUM OF AGREEMENT
Expenditure of 2%

AGREEMENT entered into this 5th day of May, 1999, between the Board of Trustees of Community-Technical Colleges (the "Board") and a Coalition comprised of the Congress of Connecticut Community Colleges, the Federation of Technical College Teachers, Local #1942, and Local 1303, Chapter 148, Council 4, AFSCME (the "Coalition").

WHEREAS, on April 6, 1998, the parties hereto entered into a collective bargaining agreement which in relevant part provided that:

"In connection with the parties' efforts to harmonize the working conditions of similarly situated employees regardless of the identity of their bargaining representative, the parties agree that, during the 1998-99 contract year, they shall devote 2% of total annual salary base as of April 1998, to harmonize teaching faculty workload. The manner in which the parties harmonize the workloads of teaching faculty members and non-teaching professionals shall be subject to further negotiations and, if necessary, interest arbitration in accordance with the language of the reopeners;"

WHEREAS, said collective bargaining agreement was duly submitted to the Connecticut General Assembly on April 6, 1998, and, by operation of law, became binding upon the parties;

WHEREAS, the complex nature of the subject matter of harmonization of workload prevented the parties from reaching agreement and the parties are currently engaged in an interest arbitration concerning that subject; and

WHEREAS, the parties desire that the funds provided for in the above-quoted provision not lapse at the conclusion of the 1999 Fiscal Year, said funds being necessary to the accomplishment of the harmonization goals mutually desired by the parties;

NOW, THEREFORE, in consideration of the foregoing premises and the undertaking so the parties set forth below, the parties agree as follows:

1. The two percent (2%) of total annual salary base as of April, 1998, dedicated by the parties' collective bargaining agreements to harmonize teaching faculty workload shall not lapse if it is not disbursed or expended by the conclusion of the 1999 Fiscal year. This provision shall supersede any conflicting state statute or regulation.

2. The parties shall expend the amount described in Section 1, hereof, as follows:

a. In view of the reorientation which will be required of teaching faculty members as workloads are harmonized, the Board shall pay each teaching faculty member who was on the Board's full-time payroll continuously from September 3, 1997 through April 29, 1999, a lump sum payment of One Thousand Dollars (\$1,000). The Board shall attempt to process the payroll for said payment within thirty (30) days after this Agreement is approved by the Connecticut General Assembly, but in no event shall processing of the payroll be completed beyond sixty (60) days after said approval.

b. By mutual agreement of the Board and the Coalition, up to Two Hundred Thousand Dollars (\$200,000) may be expended to resolve disputes which presently exist arising out of the implementation of various provisions of the parties' 1997-2001 collective bargaining agreements. The parties shall commence discussions regarding said disputes within fifteen (15) days after this Agreement is approved by the Connecticut General Assembly and shall exert their best efforts to finalize those discussions by September 15, 1999.

c. The two percent (2%) of total annual salary base as of April, 1998, dedicated by the parties' collective bargaining agreements to harmonize teaching faculty workload, less amounts expended pursuant to paragraphs 2(a) and 2(b), hereof, shall be expended by mutual agreement of the parties for the harmonization of teaching faculty workload and related issues, subject to the limitation that no portion of said funds shall be utilized for wage-type payments to employees. The parties understand that professional development, retraining and similar programs are not wage-type payments under the provisions of this paragraph. If the parties have not reached agreement upon the expenditures contemplated by this subsection 2(c) on or before January 15, 2000, they hereby agree to enter into an expeditious arbitration before arbitrator Roberta Golick to

decide which party's last best offer to award in connection therewith (the "2% Arbitration"). In that arbitration, if any, the parties hereby agree that any or all portions of the record of the 1998-99 interest arbitration before arbitrator Roberta Golick may be made a part of the record of the 2% Arbitration upon the application of either party.

APPENDIX O
NURSING/DENTAL FACULTY PAID LEAVES

Monies shall be made available to provide for paid leaves. The nature of such leaves and the conditions under which they may be granted by the Board shall be the subject of consideration by a joint committee, whose recommendation shall be subject to agreement, including agreed-to-modification, by the parties.

APPENDIX P
NURSING/DENTAL COURSE LEADERS

Monies shall be made available to the colleges for payments to nursing and dental course leaders at the rate of \$2,000 per semester for each individual who fulfills such responsibilities and compensation may be shared by more than one individual on a pro-rata basis.

APPENDIX Q
UNIT PLACEMENT AGREEMENT

Agreement made this 19th day of December, 2000 by and among the Congress of Connecticut Community Colleges ("Congress") and the Federation of Technical College Teachers, AFT, Local 1942, AFL-CIO ("Federation") (collectively "the Union") and the Board of Trustees of Community-Technical Colleges ("the Board" or "the employer"). The parties mutually agree as follows:

1. It is in the mutual interest of the parties to have a systematic basis for determining unit placement of faculty, counselor and librarian positions as between the Federation and Congress bargaining units at the five merged community colleges existing at the time of this agreement (Capital, Gateway, Naugatuck Valley, Norwalk, Three Rivers).
2. The sole factor to be used in determining the unit placement of teaching faculty, counselor and librarian positions at the five merged colleges shall be the proportionality that existed as between the two units on June 30, 1992, such date being immediately prior to the legislative merger of the Regional Community Colleges and the State Technical Colleges in five geographic regions of the State.
3. Based upon review of data that reflects the bargaining unit placement of all full-time faculty, counselors and librarians employed as of June 30, 1992 in the community and technical colleges, the Federation shall be entitled to 40 percent of the teaching faculty, counselor and librarian positions at the five merged

- colleges and the Congress shall be entitled to 60 percent. The same 40/60% proportionality ratio will be maintained at each of the merged colleges.
4. This Agreement affects full-time teaching faculty and counselors and librarians at the five merged colleges who work 20 or more hours per week. While the parties differ about the legal significance of multiple appointments, it is agreed that appointments may not be aggregated to meet the 20-hour threshold.
 5. In order to establish proportionality upon implementation of this Agreement, the parties recognize that adjustments in current unit placement may be desirable. The parties agree that any adjustment in the bargaining unit status of an employee may be made only with the agreement of the employer, the union and the affected employee.
 6. Notwithstanding the provisions above, the parties agree to make exceptions to the proportionality rule in certain limited situations where placement into a new position would change the bargaining unit status of a current employee. In such cases, the employee will go into the new position but remain in the current bargaining unit.
 7. Nothing contained in this Agreement shall affect the unit placement of faculty, counselors and librarians employed at the seven non-merged colleges existing at the time of this Agreement (Asnuntuck, Housatonic, Manchester, Middlesex, Northwestern, Quinebaug Valley, Tunxis).
 8. This Agreement does not affect Community College Administrators, whose bargaining unit placement is determined solely in accordance with the Supplemental Letter of Agreement dated October 10, 1994 by and among the Board, the Congress and AFSCME Local 1303-148.
 9. This Agreement will be administered at the college level. The Board will issue guidelines to facilitate consistent administration of this Agreement. Thereafter, questions concerning the maintenance of proportionality should be directed to the Director of Human Resources at the college. If the matter cannot be satisfactorily resolved at that level, it may be raised at the Board level.
 10. Unit placement decisions shall not be subject to the grievance and arbitration process. The sole remedy for resolution of formal disputes shall be the State Board of Labor Relations.
 11. This Agreement is based on the current configuration of the Federation and Congress bargaining units and shall not be asserted by any party in support of its view of the respective legal rights of each, except to enforce the terms of the Agreement. Recognizing that this agreement is premised on there being common workloads for teaching faculty, it is agreed that the terms of the agreement may be revisited if the workload will no longer be the same.

12. This Agreement shall have no value as precedent for the negotiation of an agreement affecting unit placement for part-time faculty teaching credit or non-credit offerings, or for counselors and librarians working fewer than 20 hours per week, at merged or non-merged colleges, who are not covered by the terms of this Agreement.

APPENDIX R
SIDE LETTER RE: FLEXIBILITY IN SCHEDULING

WHEREAS the parties recognize the potential need for flexibility in the scheduling of students and faculty in order to meet existing and future programmatic needs of the System and its colleges.

The parties agree that teaching faculty work hours found in Section 8.2.2 may, with the consent of the faculty member, on a case by case basis, be waived with respect to course offerings in the disciplines of Allied Health, Engineering Technologies and Computer Science Technologies; and

The parties further agree that if additional programmatic areas are identified where flexibility in scheduling is desired by the Board, the Board may request at any time that the Federation agree to apply Paragraph 2 above to these additional programmatic areas. The Federation shall give every reasonable consideration to the Board's request.

APPENDIX S
JOB SECURITY FOR PART-TIME LECTURERS

1. When a part-time lecturer in the system has taught 24 credits and has not received an unsatisfactory evaluation, the part-time lecturer will be placed in the part-time lecturer pool at the college(s) where the part-timer has accumulated a minimum of 18 credits. The relevant time period for the accumulation of credits referred to in this paragraph is the period of July 1, 1992 forward.
2. Entrance into, and continuation in, the pool is subject to a "break-in-service" requirement. A break in service is a period of 36 or more months in which a part-time lecturer does not teach for the system. However, if an individual is scheduled to teach a course that is ultimately cancelled, or if the individual does not teach the scheduled course for reasons beyond his/her control, the individual will nevertheless be given credit for the course for purposes of determining if there is a break in service. Where there is a break in service, the part-time lecturer shall be removed from the pool, and all time prior to the break in service shall be ignored for purposes of determining whether the 18/24-credit threshold is met.
3. Calculation of minimum service for inclusion in the initial pool shall be retroactive to July 1, 1992 and shall apply to part-time employees employed during academic 2000/2001 or 2001/2002, as shall the application of the break-in-service rules.

4. Among the members of the pool who are qualified for a course, employees will be assigned on a seniority basis to at least one course per semester, subject to course availability. Seniority will be calculated by determining when the 18/24-credit threshold was met. This provision does not require that any specific course be assigned on a seniority basis, only that if the number of pool members exceeds the number of available courses, senior pool members will be assigned at least one course.
5. This agreement applies only to initial course assignments and does not apply to:
 - changes in course assignments necessitated by enrollment or by other unanticipated circumstances which occur within 14 days of the start of classes;
 - courses offered under grants or contracts;
 - the assignment of courses to full-time employees, including but not limited to the assignment of "overload" courses to full-time faculty, and the assignment of courses to former full-time employees who have retired;
 - a decision to broaden the hiring pool to enhance the skill base or to enhance affirmative action or diversity in the selection of part-time members.
6. "Qualified" shall mean (1) meeting minimum qualifications; and (2) having adequate preparation for the specific course through appropriate education or experience. Employee qualifications for any specific teaching assignment shall be determined by the employer in relation to the subject matter and goals for the course.
7. It shall be the part-time lecturer's responsibility to indicate his/her pool status at the time he or she applies for a position. After receipt of such an indication, the employer shall treat the part-timer as a member of the pool unless its records definitely establish that the 18/24 credits threshold has not been met.
8. For a part-time lecturer to remain in a pool he/she must perform in a satisfactory manner as determined by the employer. Pools will be maintained and utilized on a college-by-college basis, i.e., not a system-wide basis.
9. The employer's determination with respect to the qualification of part-time lecturers shall be subject to the grievance procedure but not to arbitration. Other failures to comply with the provisions of this agreement shall be subject to the parties' usual dispute resolution procedures, except that should the employer decide not to make an assignment to a qualified member of the pool on the basis of the reasons set forth in the fourth bullet of paragraph 5, its decision shall be sustained unless it is based on reasons which are arbitrary or capricious.
10. Once courses are assigned, a senior member of the pool may not "bump" a junior member of the pool if the senior member's assigned course is cancelled.

11. Repeated attempts to contact a part-timer by telephone and e-mail shall constitute compliance with the requirement to offer such part-timer a course under this agreement.

APPENDIX T
SIDE LETTER ON INITIAL ESTABLISHMENT OF PTL POOL

The following process shall be used to establish and maintain records of seniority in the PTL pool.

The parties shall draft, and the employer shall mail, a joint letter to all pool-eligible PTLs informing them of the process to be used to establish their seniority date. The process shall include the following elements:

1. The process relies on the good faith of PTLs to identify the date upon which they achieved 18/24-credit pool eligibility as described in the parties' agreement on part-time job security. It is not the employer's burden to provide this information to PTLs.
2. PTLs will be directed to provide the following information to the appropriate union office: date on which they achieved 18/24-credit pool eligibility, home telephone number, home e-mail address, if any, and disciplines taught.
3. The Unions collectively will compile the information and present a PTL pool seniority list to the System Office for distribution to colleges, and thereafter shall update the list as necessary.
4. The list will be available at each college. Posting on the college web site shall constitute compliance with this provision.
5. It is the intent of the parties that any errors in the seniority list will be corrected. However, the seniority list shall not be subject to challenge in the grievance procedure.

APPENDIX U
SIDE LETTER RE: CONSULTATION

The fact that there are differences in language among Congress, AFSCME and Federation contracts shall create no inference with respect to what form of consultation may be available under any of the agreements.

APPENDIX V
SIDE LETTER RE: DELEGATION OF BOARD AUTHORITY

This contract has been modified to reflect the 1996 resolution of the Board delegating certain decision-making authority to the Chancellor and/or to the Community College Presidents. The parties agree that the Board retains the right to modify its prior decisions respecting delegation of authority in the future.

APPENDIX W
AGREEMENT TO REOPEN NEGOTIATIONS

Re: Grade Placement and Protocols for Distance Learning

The following issues shall be open for negotiation and arbitration in September 2002: grade placement and protocols for distance learning. Absent mutual agreement otherwise, any agreement or award resulting from this process shall not be implemented in a manner that entails additional cost to a then-existing collective bargaining agreement.

Re: Program Coordinator/Department Chair Compensation

1. Effective with implementation of the 2002-05 collective bargaining agreement,
 - Release time/compensation for all Program Coordinators (PCs) shall be based on three (3) contact/credit hours per unit;
 - Current Federation PCs shall receive lump sum payments from contract savings as a “transitional payment” which shall sunset on 6/30/05;
 - Effective 7/1/05, all PC release time shall be based on three (3) contact/credit hour formula; Federation lump sum payments shall cease; savings will be rolled forward as designated by mutual agreement.

2. The parties agree that the negotiations currently scheduled for September 2002 shall also include a contract reopener to discuss PC/DC compensation, subject to the following parameters:
 - Purpose: to address unresolved workload issues of PCs/DCs
 - There shall be no additional cost to the contract.
 - Issues open for discussion shall include:
 - the Board’s proposal for harmonization of the release time formula for Department Chairs;
 - the union proposal for workload recognition for special projects, e.g., accreditation reports, program evaluation, unusual circumstances (PCs only)
 - the union proposal for workload recognition for employee evaluations.
 - Current college practices shall be neither a basis for nor a source of funding.
 - There shall be no waiver of management rights.
 - If no agreement is reached, the parties shall submit their dispute to binding arbitration. However, the inclusion of a subject in reopener discussions shall not be construed as a waiver of any party’s rights under the collective bargaining law.

APPENDIX X
SUPPLEMENTAL LETTER OF AGREEMENT
RE: FEE WAIVERS

Waivers of fees for noncredit course offerings and for extension credit course offerings may be granted on a space-available basis, in the discretion of the employer, to principal bargaining unit members and to their spouses and dependent children. Waivers may be granted to bargaining unit members only where the course is offered outside of the employee's regularly scheduled work day, except that where a course is job-related and the employee's supervisor approves his/her release for this purpose, the course may be taken during the member's regularly scheduled work day. The parties agree that the employer will determine on a case-by-case basis the courses to which the waiver may apply as well as the administrative processes to be used in the implementation of this benefit. The decision of the employer whether or not to grant a waiver shall be final and not subject to grievance or arbitration. The provision of the tuition waiver to spouses and dependent children shall sunset with the expiration of this Agreement.

APPENDIX Y
SUPPLEMENTAL LETTER OF AGREEMENT
RE: ESTABLISHMENT OF A STUDY COMMITTEE

The parties agree that a study committee shall be formed, to consist of an equal number of representatives of management and the union. The sole purpose of the committee shall be to conduct research on, to discuss and to make recommendations concerning issues that the parties have mutually agreed to submit to the committee. The study committee shall be advisory to the Chancellor who may accept or reject its recommendations. It is not intended that the work of the study committee end in binding interest arbitration. The decision of the Chancellor with respect to any recommendation submitted to him/her by the study committee shall be final and not subject to grievance or arbitration.

The parties agree to submit the following issues to the study committee during the 2001-02 contract term: review of sexual harassment policy, protocols for distance learning and flextime for ACLs. Additional subjects may be added to the list upon mutual agreement of both parties.

APPENDIX Z

APPENDIX DD

The parties shall meet to discuss deletion of contract language that has no ongoing applicability and, upon mutual agreement, shall delete such language prior to the next printing of this Agreement.

APPENDIX EE

SIDE LETTER Re: SALARY CALCULATION METHODOLOGY

Schedule B: Salary schedules will be modified to reflect salary increases in accordance with the following methodology:

TEACHING FACULTY

The existing minimum salary for each faculty rank will be increased by the value of the general wage increase. The value of a step, which is the same for all steps within each faculty rank, will also be increased by the value of the general wage increase. The new grid is generated by adding the new step value to the new minimum salary to create a new Step 2 and to the new Step 2 to create the new Step 3 and so on up to the top step. This process is repeated for each faculty rank.

COUNSELORS AND LIBRARIANS (CCP-18 and CCP-19)

The value of the general wage increase will be added to each step of the CCP-18 and CCP-19 grades. Thus, if the general wage increase is 3%, Step 1 is multiplied by 1.03; Step 2 is multiplied by 1.03, and so on to the top of the grade.

APPENDIX FF

SIDE LETTER RE: CONTRACT FUNDS

It is the intent of the Employer to provide the Federation with quarterly updates of its reports concerning the status of contract accounts. Best efforts shall be employed to issue updates in accordance with the following schedule:

- For the first quarter (July through September), approximately the last week of October;
- For the second quarter (October through December), approximately the last week of January;
- For the third quarter (January through March), approximately the last week of April; and
- For the fourth quarter (April through June), approximately the last week of July.

Updates of reports on the status of contract accounts shall include credits and expenditures for the fiscal year to date, including rollout and cash, as appropriate. If, at

the end of a fiscal year, fewer than all of the current year's allotted dollars in a given account have been spent, the parties shall meet at the request of either of them to discuss the disposition of said unspent funds. It is understood that unspent contract funds shall not lapse. Contract dollars shall be used only for contractually prescribed purposes, unless otherwise agreed by the Board and the Federation.

**APPENDIX GG
SUPPLEMENTAL LETTER OF AGREEMENT RE:

**APPENDIX HH
SIDE LETTER OF AGREEMENT RE:
CHILDBEARING, PARENTAL AND FAMILY LEAVE**

The parties agree that a study committee shall be formed, to consist of an equal number of representatives of management and the union. The purpose of the committee shall be to conduct research on, to discuss and to make recommendations concerning the necessity for changes in childbearing, parental and family leave provisions of the Agreement. The study committee shall be advisory to the Chancellor who may accept or reject its recommendations. It is not intended that the work of the study committee end in binding interest arbitration. The decision of the Chancellor with respect to any recommendation submitted to him/her by the study committee shall be final and not subject to grievance or arbitration.

**APPENDIX II
SIDE LETTER Re: PROTOCOLS FOR DISTANCE LEARNING**

Scope of Reopener

This reopener deals with the delivery of credit courses via fully online instruction, which typically takes place in an asynchronous learning environment and involves faculty-student and student-student interaction in the online environment.

Bargaining Unit Placement

The bargaining unit placement of faculty who teach distance learning courses will be consistent with existing practice for on-ground courses.

Class Size

Class size in an online course will be determined in accordance with existing college practices and will not exceed the class size for the same course taught on ground.

Evaluation of Faculty Members who Teach Online Courses

Observation of a teaching faculty member's online course for purposes of faculty evaluation will be done in the same manner as classroom observation is performed for on-ground courses. Evaluators shall be granted access to the faculty member's online course ("guest status") for purposes of the observation, which must be conducted in the presence of the faculty member.

Student ratings may be used in a manner similar to the use of student ratings in on-ground courses, except that colleges may use the student assessment vehicle provided by the Connecticut Distance Learning Consortium (CTDLC).

Course Development

For purposes of this Agreement re: Protocols for Distance Learning, course development is defined as either (1) creating a new distance learning course, or (2) converting or adapting an existing on-ground course to an online format. New courses shall follow existing college course offerings, development and approval processes.

Workload Credit (from arbitrator's award)

For purposes of computing faculty workload, subsequent offerings of distance learning courses shall be weighted at 133%.

Ownership

The concept of "shared use" will apply to online courses developed by teaching faculty members. This means that distance learning courses developed by teaching faculty members in the course of their employment may be used by the faculty member teaching elsewhere within the CCC system or in another higher education setting, and may also be used by the Board at the same college or at another college in the CCC System.

Effective Date

This Agreement and the terms of the award shall be effective with the Fall 2007 academic semester.
